Parent/Guardian Commitment

Religious Education (RE) instruction is a service provided for our children by the UUFF. We rely heavily on the wonderful volunteers who show up week after week to provide instruction to our kids and are so grateful for all that they do. Simply put, there would be no RE without them. The move to the new building has resulted in an increase in class size and we expect it to continue. In order to provide a safe, productive learning environment for our children, we need to increase the number of teacher/assistant volunteers and are asking at least one of the adults in each household to serve on one of our class teams as a teacher or assistant. The classroom commitment for the year will be anywhere from 6 - 10 weeks depending on how many of our parent/guardians get involved. Volunteers are needed in the following areas:

Nursery - Teachers only

Elementary Classes - Teachers only

Middle School - Teachers and Assistants

High School - Teacher and Assistants

OWL Facilitator (training provided)

We are also looking for parents to join the RE Committee.
